SKATING RINK

There was a large attendance a a meeting in the town ball Tue-day evening, called with a view it creeting a skating rink. The town council was approached, and they were more than sympathetic. It is intended to creet a rick south of and adjacent to the curing rink, and no doubt the yarng people will have the support of the citizent in their undertaking.

WEAK, NERVOUS AND RUN DOWN

Afflicting Thousands of People-How to Get New e Health.

Guarding Crown Jewels

CLEANLINESS IS HEALTH

By the use of Gillett's Lye, house cleaning is made a pleasure instead of a drudgery. It softens the water and cleans thoroughly whether the dirt is visible or invisible. Destroys all bacteria and infectious germs, removes obstructions from drain pipes, closets, sinks, etc. Refrigerators are made delightfully fresh and clean by using one teaspoonful of Gillett's Lye dissolved in two gallons of water.

"GILLETT'S LYE EATS DIRT"

Made in Canada.

Origin of Word "Poltroon"

In Olden Days Meant Person Without Thumb.

The word "politono" has a rather interesting origin, having started out in line as politic truncus, a Lista phrase, maximing one who had been days when how so and arrows were trained to the should, for without it the archer could not hope to draw the bow the much weapon of the soldier. The thumb was a most essential part of the should, for without it the archer could not hope to draw the bow with all of the necessary material to could not hope to draw the bow with all of the necessary material to credit his own thumb or got his wife to perform the act for him. In time tunn who did this bit of self-exemption became how many a man chonged the through their various stages, as well the many how did his bit of self-exemption became how many a man chonged to the prairie provinces the many how did his bit of self-exemption became how many a man chonged to the prairie provinces the many how did his bit of self-exemption became how many a man chonged to the prairie provinces the province of his own thumb or got his wife to perform the act for him. In time the many how did his bit of self-exemption hecame how many a man chonged and a sleeper and diner for the person and a sleeper and diner for the person and a sleeper and diner for the person and the rural municipal associations. A representative of each province will accompany the train throughten and the present sould be a subject to the province will accompany the train throughten which are provinced the lecturers will be chosen the province will be composed to the province will accompany the train throughten which are provinced the lecturers will be chosen to the province will be composed to the province will be considered and the creation of the province will be considered and the creation of the province will be considered and the creation of the province wil
